SKILLS

PROFILE

I aspire to be a developer engineering | Interested in the field of BIM, Programming, AI, and Everything is new in civil engineering | I help in creating BIM modeles, Coordination, Quantities, Shopdrawing.

EDUCATION

Civil Engineering
Tishreen University | Syria | 2018 - 2024

BIM Management & Iso19650 | Kamal Shawky
First Option Academy | Online | 2023 - 2024

BIM Structure | Raaed AL-Rawy
BIM Master Academy | Online | 2023 - 2024

Digital Engineering Program | Kaiteck
Kaiteck Academy | Online | 2024 - 2024

BIM Diploma | To BIM
To BIM Academy | Online | 2024 - 2025

BIM Coordination | Mohamed el-Masri
ME Academy | Online | 2023 - 2023

Structure Design (ACI) | Marwan Amr
Madani Store | Online | 2024 - 2025

Web Development (.NET) | Ali Shahin
IT Legend | Online | 2024 - 2025

Frontend (Html, Css, JS) | Almadrasa
Almadrasa Academy | Online | 2024 - 2025

EXPERIENCE

GRADUATION PROJECT

Hanin Villa According To Iso 19650

Implemented 4D & 5D simulation was done using Primavera, Synchro pro software, allowing Villa planning to explore development scenarios interactively.

Implemented VR & AR simulation to visualize the Villa in an immersive 3D Environment, allowing Villa planning to explore future development scenarios interactively.

Technologies Used: 3D (Revit), Coordination (Navisworks, Dynamo, Notepad++), Time Schedule (Primavera), 4D & 5D (Synchro Pro), VR & AR (Augin).

INTERESTING

Swimming, Bycycle, Travel
